JUL 16 2004

Dear Sir or Madam:

This letter will serve as a 30-day notification pursuant to Section 6 of the Dietary Supplement Health and Education Act of 1994 that NBTY Inc. is using the following statements on our Disney Complete Multivitamin supplements.

Ingredients: Vitamin A, Vitamin C, Vitamin D, Vitamin E, Thiamin, Riboflavin, Niacin, Vitamin B-6, Folic Acid, Vitamin B-12, Biotin, Pantothenic Acid, Calcium, Iron, Iodine, Magnesium, Zinc, Copper

- Provides 18 essential Vitamins and Minerals for your child's healthy growth and development in a delicious chewable tablet.
- Includes Vitamin C to help support healthy immune function, Iron to help promote red blood cell production and Calcium for bones.
- Healthy eating plays an important role in reducing chronic disease risk, yet less than one-half of children consume the USDA recommended number of servings in any given pyramid group and almost 80% do not eat the recommended number of nutrient-rich fruits and vegetables.

The above statements are accompanied by the required disclaimer pursuant to Section 6 of the Dietary Supplement Health and Education Act.

Sincerely,

Ona Scandurra, MS, RD

Vice President, Nutrition Information
